

Heavy Metal Concert Reflection

In no more than **2 pages, double spaced**, reflect on the heavy metal concert we attended by answering the following:

1. What did you notice about the crowd, their attire, or the overall energy in the venue? Did you observe any specific rituals or behaviors? Did they actively participate by headbanging, moshing, or crowd surfing? Did you notice any specific codes of conduct or unwritten rules governing the interaction between the audience and the performers?
2. Describe the audio and visual aspects of the concert, including stage setup, lighting, and attire worn by the musicians. How would you describe the style of music played, the instruments used, and the performers' skills?
3. What were your thoughts, feelings, and takeaways from this cultural event? Did your perceptions or stereotypes about heavy metal culture change as a result of your experience?
